

9th EES HANDS-ON SEMINAR IN YAMAGATA

Program

Date: March 20, 2021 (Sat.), Time: 9:30-18:00 (GMT +09:00)

Theme: The New Normal in Ear Surgery - Challenges and Advances of TEES and ExES in the Era of COVID-19 -		
Time	Agenda	Speaker
9:30-11:10	The New Normal in Ear Surgery for Children Keynote Lectures and Panel Discussion	
9:30- 9:50	Keynote Lecture 1 Endoscopic management of pediatric ear disease	Michael Cohen (U.S.A)
9:50-10:10	Keynote Lecture 2 The New Normal for Pediatric Cholesteatoma	Adrian James (Canada)
10:10-10:30	Keynote Lecture 3 Management for adhesive otitis media in children	Yukiko Iino (JAPAN)
10:30-11:10	Panel Discussion 1 How to manage pediatric ear disease in the era of COVID-19 Moderator: Panelist: Panelist:	Adrian James (Canada) Michael Cohen (U.S.A) Yukiko Iino (JAPAN)
11:10-12:10	Ear Surgery Playback 1	
11:10-12:10	Let's get started with TEES	Seiji Kakehata (Japan)
12:10-13:10	Break (Sponsored Lecture) Exoscope - innovation and symbiosis in ear surgery	Takeshi Tsutsumi (Japan)
13:10-14:00	Ear Surgery Playback 2	
13:10-14:00	Dual approach - EES+ExES	Tsukasa Ito (Japan)
14:00-15:30	The New Normal in Ear Surgery: Challenges Keynote Lectures and Panel Discussion 2	
14:00-14:20	Keynote Lecture 4 Beyond Endoscopic Myringoplasty -endoscopic technique for cochlear schwannomas, glomus tympanicum-	Raymond Ngo (Singapore)
14:20-14:40	Keynote Lecture 5 IGEES: Image-guided endoscopic ear surgery	Nozomu Matsumoto (Japan)
14:40-15:00	Keynote Lecture 6 VR and AI applications to Otologic Surgery in New Normal Era	In-Seok Moon (Korea)
15:00-15:15	Keynote Lecture 7 New Horizon of Tympanoplasty for Chronic Otitis Media by Tympanic Membrane Regeneration combined with Endoscopic Ear Surgery	Shinichi Kanemaru (Japan)
15:15-15:40	Panel Discussion 2 What can we look forward to in our new normal? Moderator: Panelist: Panelist: Panelist:	Raymond Ngo (Singapore) Nozomu Matsumoto (Japan) In-Seok Moon (Korea) Shinichi Kanemaru (Japan)
15:40-16:00	Break (Sponsor Presentations)	
16:00-17:30	Interactive Cadaveric Dissection	
16:00-16:30	Endoscopic revisit to ear anatomy - clinical implications	Davide Soloperto (Italy)
16:30-17:30	Interactive cadaveric dissection from Switzerland	Lukas Anschuetz (Switzerland)
17:30-18:00	The New Normal in Ear Surgery in the Era of COVID-19 Keynote Lecture	
17:30-18:00	Keynote Lecture 8 Ear surgery in the era of corona: challenges and advances of TEES	Daniele Marchioni (Italy)
